

Request Guidelines for the Certificate of Completion of the Computational Science Alliance Education Course on September 2018

1. Overview

Computational Science Alliance will issue the certificate of completion of Computational Science Alliance Education Course to a student who will graduate on September 2018 and satisfy the certificate completion requirement. Those wishing that the certificate will be issued on September 2018, please submit an application in accordance with the following instructions no later than August 29th, 2018. The next date of issue of the certificates is scheduled on March 2019.

2. Application procedure

Please send following documents and information to Computational Science Alliance secretariat by Campus Mail (Gakunaibin) or mail.

<Required documents >

- Application form 1
- Academic record at the time of application

<Address >

Computational Science Alliance Secretariat,
Department of Information of Science, Graduate School of Information Science
and Technology

(Mailing Address) Faculty of Science Building 7, 234, The University of Tokyo,
7-3-1, Hongo, Bunkyo-ku, Tokyo 113-8656

3. Application Deadline

The application must reach us no later than August 29th, 2018

4. Certificate Delivering

We plan to deliver the certificate at the ceremony of degree conferment held at each department or to mail it to the address specified in the application form. When we will fix the way of delivering, we will announce it on the webpage of Computational Science Alliance.

5. Point to Note

In case you do not satisfy the certificate completion requirements of the educational course or do not finish your degree, the certificate will not be issued.
